Sprint Nextel PowerSource™ Handsets available in limited markets only. Offers are subject to availability in certain markets.

**** End of Life= Device has gone to EOL or is planned to within the launch window specified. All offers applied to EOL devices will be honored while supplies last. EOL status is channel based and inventory fluctuates daily. Please refer to your channel.s***

1 Service features, functionality and rate plans vary for the "PowerSource™" Phone and may not be available in all markets.

2 Active Units upgrading to a PowerSource™ Phone may experience changes in service availability, pooling eligibility, billing, surcharges and local calling rates. Some existing rate plans, and data & voice add-ons are not available on the PwerSource™

3 Hearing Aid Compatible (HAC) wireless phones rated M3 or M4 meet the FCC requirements for hearing aid compatibility and are likely to generate less interference with hearing aid devices. M4 is the better of the two ratings.
